

Exercício

1 – Desenvolva a tela home do site

- cor de fundo
- texto nível h1
- texto nível h3
- botão com efeito opacity e transition, com ação chamando para outra página de login
- imagem

2 – Tela Login

The image shows a login screen design. It features a central yellow rectangular form with rounded corners, set against a solid purple background. At the top of the form is a black outline icon of a person. Below the icon are two white input fields with rounded corners. The first field has the placeholder text 'Email' and the second has 'Senha'. Below these fields is a small, light gray button with the text 'Enviar'. At the bottom of the form, there is a blue arrow pointing left and a blue text link that reads 'Cadastre-se'.

- Cor de fundo
- Form com cor de fundo e centralizado
- Ícone dentro do Form
- Input text com placeholder e-mail
- Input password com placeholder senha
- Botão enviar
- Link cadastre-se
- Ícone para voltar a página home
